Senate Online & Distance Education Committee Member
University of North Dakota, 2014 – present

Special Review Committee, Pool Member
University of North Dakota, 2011 – 2012, 2013 – 2014

Strategic Enrollment Management Committee Member
University of North Dakota, 2014 – 2015

Study Abroad Exchange Scholarship Committee Member (through the Office of International Programs)
University of North Dakota, 2016

University Counseling Center Director Search Committee Member
University of North Dakota, 2005

College Committees/Service:

Arts & Sciences Budget Committee Chair,
University of North Dakota, 2012 – 2013

Arts & Sciences Budget Committee member
University of North Dakota, Fall 2006 – 2009; Fall 2011 – 2014

Arts & Sciences Council member
University of North Dakota, Fall 2003 – 2009; Fall 2012 – present

Arts & Sciences Executive Committee member
University of North Dakota, Fall 2006 - Spring 2008

Arts & Sciences *Ad Hoc* Study Abroad/International Diversity Committee Chair
University of North Dakota, Spring 2016

Arts & Sciences Undergraduate Program Review Committee Chair
University of North Dakota, Fall 2016

Baukol History Fellowship Award Committee Member
University of North Dakota, Spring 2016

Behavioral Science Review Committee Member
University of North Dakota, 2002 - 2003

Burton College of Education Technology Committee Member
McNeese State University; Spring 1997 - Summer 1999

Chester Fritz Auditorium / Theatre Arts Project Committee Member
University of North Dakota, Fall 2014

Communication Program Executive Committee Member
University of North Dakota, Fall 2015 – present

Communication Program Undergraduate Curriculum Revision Committee Chair
University of North Dakota; Spring 2014

Communication Program Undergraduate Curriculum Committee Member
University of North Dakota; Fall 2014 – present

Communication Program Governance Committee Chair
University of North Dakota; Fall 2014 – present

Communication Program Graduate Curriculum Revision Committee Chair
University of North Dakota; Fall 2014

Election Committee Chair
College of Arts & Sciences, University of North Dakota, 2000 - 2001

Election Committee Member
 College of Arts & Sciences, University of North Dakota, 1999 – 2002

Faculty Research Seed Money Proposal Review Committee
 Behavioral Science Review Committee Chair
 University of North Dakota, 2001 – 2002

NCATE (National Council for Accreditation of Teacher Education) Documents Committee Member
 McNeese State University; Spring 1997 – Summer 1999

Northern Plains Center for Behavioral Research (NPCBR) Building Committee Co-Chair
 University of North Dakota, College of Arts & Sciences Representative, 2014 – 2017

Northern Plains Center for Behavioral Research (NPCBR) Building Committee
 University of North Dakota, Psychology Department Representative, 2009 - 2010

School of Communication Endowed Professorship in Journalism Search Committee
 Committee Chairperson, University of North Dakota, 2005 - 2006

Student Appeals Committee
 College of Arts & Sciences, University of North Dakota, 2001 – 2004

Tenure &/or Promotion Committee Chair (serving in role of department chairperson)
 Department of Theatre Arts, University of North Dakota, 2014
 Humanities & Integrated Studies Program, University of North Dakota, 2014

Departmental Committees/Service:

Colloquium Committee Member
 Psychology Department, University of North Dakota, 2001 – 2002

Curriculum & Assessment Committee Member
 Psychology Department, University of North Dakota, 1999 – 2000

Department of Modern & Classical Languages & Literatures Bylaw and Tenure/Reappointment/Promotion Review
 Committee member
 University of North Dakota; Spring 2014 – present

Evaluation Committee Member
 Psychology Department, University of North Dakota, 2000 - 2001, 2002 - 2003

Graduate Admissions Committee Chair
 Psychology Department, University of North Dakota, 2001 - 2002

Ombudsperson for Student Issues
 Psychology Department, University of North Dakota, 2010 - 2012

Online Program Development Committee Chair
 Psychology Department, University of North Dakota, 2008 – 2009

Permanent Undergraduate “Drop-In” advisor
 Psychology Department, University of North Dakota, 2013 - 2014

Personnel (Search) Committee Chair
 Psychology Department, McNeese State University, 1998 - 1999
 Psychology Department, University of North Dakota, 2000 - 2001; (co-chair) 2002 - 2003; 2006 - 2007;
 2008 – 2009, 2011 – 2012, 2013 – 2014
 Department of Modern & Classical Languages & Literatures, University of North Dakota, 2008 – 2009
 Communication Program, University of North Dakota, 2014 – 2015; 2015 – 2016
 Theatre Arts Department, University of North Dakota, 2015 – 2016

Personnel (Search) Committee Member
 Psychology Department, University of North Dakota, 1999 – 2000, 2010 – 2011
 Department of Modern & Classical Languages & Literatures, University of North Dakota, 2014 – 2015; 2015
 - 2016

Planning Committee Chair
 Psychology Department, University of North Dakota, 2003 – 2004

Tenure &/or Promotion Advisory Committee Member
 Department of Theatre Arts, University of North Dakota, 2009
 Department of Philosophy & Religion, University of North Dakota, 2009
 Department of Modern and Classical Languages and Literature, University of North Dakota, 2013

Student Committees:

- Undergraduate Supervision (University of North Dakota)
 - Mentor for 4 students in the ND EPSCoR Advanced Undergraduate Research Award (AURA) Program
 - Mentor for 3 students in the ND EPSCoR Experimental Program to Stimulate Competitive Research - Science Bound Award
 - Senior Honors Thesis committee chair for 3 students
 - Senior Honors Thesis committee member for 10 students
- Thesis Committees (McNeese State University)
 - Master's Thesis Committee Chair for 3 students
 - Master's Thesis Committee Member for 2 students
- Thesis Committees (University of North Dakota)
 - Master's Thesis Committee Chair for 5 students
 - Master's Thesis Committee Member for 17 students
 - External Examiner for 1 student
- Master of Arts Independent Study (University of North Dakota)
 - Advisor for 1 student
- Doctoral Committees (University of North Dakota)
 - Doctoral Committee Chair for 5 students
 - Doctoral Committee Member for 10 students
 - International Doctoral Committee Member for 1 student (New Zealand)

Non-University Service

Offices / Positions Held:

- Advisory Board
 - Member, *The Psychological Record*, 2011 – 2016
- Association for Behavior Analysis Special Interest Group on Gambling Behavior

Research

Grants Submitted and/or Received

Alcohol Beverage Medical Research Foundation: Principal Investigator.

\$37,384; August 30, 2000; Revised and resubmitted February 1, 2001; \$51,474; Not Funded

Centers for Disease Control, co-investigator (Energy & Environmental Research Center proposal), \$500,000 requested April 1, 2005. Awarded

Department of Health and Human Services, co-investigator (Dr. Glenda Lindseth, PI; Northern Plains Center for Behavioral Research), \$3,913,697 requested December 14, 2004; Awarded August 25, 2005

Institute for Research on Pathological Gambling and Related Disorders: Principal Investigator. \$44,567; Letter of Intent submitted September 25, 2002. Grant submitted March 3, 2003. Priority Score: 285. Not Funded

Introductory Psychology textbook-material development grant (McNeese State University): \$2,000; Summer, 1997. Awarded.

Louisiana Board of Regents Support Fund Research Grant (BORSF #097A). Principal Investigator. \$98,888; Awarded, Funding period: September 1, 1999 - July 31, 2002

***Funding terminated upon relocation to the University of North Dakota

McNeese State University Riverboat-Revenue Grant: Principal Investigator. \$4,600; Awarded, Funding period: July 1, 1997 - June 30, 1998

McNeese State University Riverboat-Revenue Grant: Co-principal Investigator. \$57,000; Awarded, Funding period: July 1, 1999 - June 30, 2000

National Center for Responsible Gaming: Principal Investigator. \$28,727. Requested June 10, 2013. Priority Score: 50. Not Funded.

National Institute of Alcohol Abuse and Alcoholism: Principal Investigator. \$68,379; Requested January 19, 2000; Not Funded

National Institutes of Health. Principal Investigator. \$139,900; Requested May 21, 2004; Not Funded

National Institutes of Health. Principal Investigator. \$558,400; Requested October 1, 2004; Not Funded; Priority Score: 272

National Institutes of Health. Principal Investigator. \$500,000; Requested October 1, 2006; Not Funded.

National Institutes of Health. University of North Dakota Minority and Health Disparities Research Center. Co-Principal Investigator. \$6,051,828. Requested October 23, 2006. Not Funded.

National Institutes of Health. Centers of Biomedical Research Excellence - Center for Neurological Impact on Age, Culture, and Behavior. Internal Advisory Panelist (Dr. F. Richard Ferraro, PI). \$7,430,277; Requested February 23, 2007. Not Funded; Priority Score: 307

National Institute of Mental Health: Principal Investigator. \$28,392; Requested May 5, 1997; Not Funded

National Science Foundation: Principal Investigator. \$195,771; Requested June 18, 1998; Not Funded

National Science Foundation: Principal Investigator. \$295,121; Requested January 12, 2001; Not Funded

National Science Foundation: Principal Investigator. \$251,564; Requested July 10, 2001; Score: Fund if Possible. Not Funded. Revised and resubmitted December 3, 2001; \$257,915; Score: Fund if Possible. Not Funded

National Science Foundation: Principal Investigator. \$220,602; Requested April 29, 2003; Not Funded.

ND EPSCoR Infrastructure Improvement Program - Seed Grant. Principal Investigator. \$16,677; Requested May 1, 2002; Awarded (\$15,000), Funding period: June 1, 2002 - April 15, 2003

Senate Scholarly Activities Committee (Univ. North Dakota) travel grant: \$581; Awarded, Spring, 2001

Senate Scholarly Activities Committee (Univ. North Dakota) travel grant: \$927; Awarded, Spring, 2003

Senate Scholarly Activities Committee (Univ. North Dakota) travel grant: \$587; Awarded, Fall, 2005

Senate Scholarly Activities Committee (Univ. North Dakota) travel grant: \$1,048; Awarded, Spring, 2008

Senate Scholarly Activities Committee (Univ. North Dakota) travel grant: \$1,264; Awarded, Spring, 2009

Senate Scholarly Activities Committee (Univ. North Dakota) travel grant: \$735; Awarded, Fall, 2010

Senate Scholarly Activities Committee (Univ. North Dakota) travel grant: \$968; Awarded, Spring, 2012

Senate Scholarly Activities Committee (Univ. North Dakota) travel grant: \$513; Awarded, Fall, 2013

Shearman Research Grant (McNeese State University): Principal Investigator. \$3,124; Awarded, Funding period: July 1, 1998 - June 30, 1999

Office of Instructional Development (Univ. North Dakota) travel grant: \$1,250; Awarded, Spring, 2007

University of North Dakota Seed Money Proposal: Principal Investigator. \$4,638.70; Requested September 27, 2001; Awarded (\$4,268); Award declined due to receive ND EPSCoR funding

University of North Dakota Seed Money Proposal: Principal Investigator. \$16,610; Requested October 7, 2002; Awarded (\$16,610); March 1, 2003 - August 31, 2004

Washington State University travel grant: \$250; Awarded, Spring, 1994.

Invited Presentations

- Weatherly, J.N. (1997). The effects of scopolamine on within-session changes in responding. Talk presented at a regional laboratory exchange, University of Mississippi Medical Center, Jackson, MS.
- Weatherly, J.N. (1999). Operant responding within the session: What happens next? Colloquium presented to the Department of Psychology, University of North Dakota, Grand Forks, ND.
- Weatherly, J.N. (April 26, 2000). Animal behavior: The environmental determinants of anticipation. Presentation given to the Psychology Club, University of North Dakota, Grand Forks, ND.
- Weatherly, J.N. (September 10, 2001). Induction where contrast should be: The experimental analysis of behavior at the University of North Dakota. Colloquium given as part of the University of North Dakota psychology department colloquium series, Grand Forks, ND.
- Weatherly, J.N. (2001). Identifying and (hopefully) overcoming some methodological problems with conducting gambling research in a laboratory setting. Paper presented at the annual meeting of the Mid-American Association for Behavior Analysis, Bloomington, IL.
- Weatherly, J.N. (October 9, 2002). How to write psychology papers. Presentation given to the Student Psychological Association, University of North Dakota, Grand Forks, ND.
- Weatherly, J.N. (September 5, 2003). Toward an experimental analysis of gambling behavior. Colloquium presented to the North Dakota State University Department of Psychology, Fargo, ND.
- Weatherly, J.N. (October 22, 2003). Come for the cookies - Stay to learn what the heck I do here. Presentation given to the Student Psychological Association, University of North Dakota, Grand Forks, ND.

- Weatherly, J.N. (February 27, 2004). Better times ahead make things a bit sweeter now. Colloquium presented to the Department of Psychology, University of North Dakota, Grand Forks, ND.
- Weatherly, J.N. (April 22, 2006). Wanna bet? Testing what we thought we knew (and perhaps should have known) by studying gambling experimentally. Keynote presentation at the annual Behavioral Sciences Conference of the North, University of Anchorage, Anchorage, AL.
- Weatherly, J.N. (October 21, 2006). Relative reinforcement and reinforcer value. Presidential address of the Mid-American Association for Behavior Analysis, Carbondale, IL.
- Weatherly, J.N., & Terrance, C. (March 22, 2006). We know the problem, but do we know its source? Hiring and retaining female faculty. Talk presented at the March 19 - 24 Oxford Round Table, Harris Manchester College, Oxford, UK.
- Weatherly, J.N. (September 25, 2009). Translating the experimental analysis of gambling behavior into something useful for behavior analysts. Keynote presentation at the annual meeting of the Minnesota Association for Behavior Analysis, St. Cloud University, St. Cloud, MN.
- Weatherly, J.N. (February 4, 2010). Educational and career opportunities in behavior modification (a.k.a. applied behavior analysis). Presentation given to the Student Psychological Association, University of North Dakota, Grand Forks, ND.
- Weatherly, J.N. (March 26, 2010). Temporal discounting and gambling: A meaningful relationship? Presented at the Behaviorists Interested in Gambling - Special Interest Group (BIG-SIG) annual convention, Reno, NV.
- Weatherly, J.N. (September 3, 2010). Gambling behavior: The role of escape. Colloquium presented to the North Dakota State University Department of Psychology, Fargo, ND.
- Weatherly, J.N. (February 17, 2011). The behavior analysis of gambling: The seemingly special role of escape. Talk presented to the University of North Dakota Student Psychological Association.
- Weatherly, J.N. (October 21, 2011). The mosaic that is discounting, escape, and gambling. Talk presented at the annual meeting of the Mid-American Association for Behavior Analysis, Indian Lakes, IL.
- Weatherly, J.N. (November 3, 2011). Understanding the potential importance of discounting. Talk presented to the University of North Dakota Student Psychological Association.
- Weatherly, J.N. (May 25, 2013). Stimulus control in discounting: Data collection method and type of outcome being discounted. Talk presented at the annual meeting of the Society for the Quantitative Analysis of Behavior, Minneapolis, MN.

Presentations

- Ahad, P., Kulland, A., Osowski, H., & Weatherly, J.N. (2005). Positive induction in rats: How to make unsweetened lemon juice taste good. Paper presented at the annual Northern Lights Psychology Conference, Grand Forks, ND.
- Arthur, E.I.L., & Weatherly, J.N. (2001). Upcoming food-pellet reinforcement produces positive induction regardless of how long it will be available. Paper presented at the 9th annual North Dakota Science, Engineering, & Mathematics Poster Session, Fargo, ND.
- Arthur, E.I.L., & Weatherly, J.N. (2002). Positive induction can be altered by altering "motivational" variables. Paper presented at the annual meeting of the Association for Behavior Analysis, Toronto, Ontario, Canada.
- Arthur, E.I.L., & Weatherly, J.N. (2002). Reinforcement history does little to alter positive induction. Paper presented at the 10th annual North Dakota Science, Engineering, & Mathematics Poster Session, Grand Forks, ND.
- Arthur, E.I.L., & Weatherly, J.N. (2003). Investigating General Arousal as the Cause of Positive Induction. Paper presented at the annual meeting of the Association for Behavior Analysis, San Francisco, CA.
- Arthur, E.I.L., & Weatherly, J.N. (2003). Positive Induction Produced by Upcoming Food Pellets Is Under Operant Control. Paper presented at the annual meeting of the Association for Behavior Analysis, San Francisco, CA.
- Arthur, E.I.L., Moulton, P.L., & Weatherly, J.N. (2001). Induction with upcoming food-pellet reinforcement: Varying reinforcer availability. Paper presented at the annual meeting of the Association for Behavior Analysis, New Orleans, LA.
- Austin, D.P., Derenne, A., & Weatherly, J.N. (2006). Parkinson's disease I: Behavior of Weaver mutant mice under progressive-ratio schedules of reinforcement. Paper presented at the annual meeting of the Association for Behavior Analysis, Atlanta, GA.
- Austin, D.P., Farwell, K., & Weatherly, J.N. (2006). The role of experience in video poker (a complete analysis). Poster presented at the annual meeting of the Mid-American Association for Behavior Analysis, Carbondale, IL.

- Austin, D.P., Weatherly, J.N., & Brown-Borg, H. (2008). Age-related behavioral change in Ames dwarf mice. Poster presented at the annual meeting of the Association for Behavior Analysis, Chicago, IL.
- Austin, D.P., Wright, C.L., Derenne, A., & Weatherly, J.N. (2005). Motivation and memory in a Weaver mutant mouse model of Parkinson's Disease. Paper presented at the annual Northern Lights Psychology Conference, Grand Forks, ND.
- Austin, D.P., Wright, C.L., & Weatherly, J.N. (2006). Positive induction: Attempting to separate predictive from relative influences. Paper presented at the annual meeting of the Association for Behavior Analysis, Atlanta, GA.
- Bauste, G., King, B.M., & Weatherly, J.N. (2001). Anticipatory induction when rats respond for saccharin reinforcers. Paper presented at the annual Northern Lights Psychology Conference, Grand Forks, ND.
- Bauste, G., & Weatherly, J.N. (2002). The answer to Dr. Clark's question. Paper presented at the annual University of Winnipeg Prairie Undergraduate Psychology Conference, Winnipeg, Manitoba, Canada.
- Bishop, K.L., Borowiak, D.M., & Weatherly, J.N. (2001). Induction is altered by the upcoming schedule of reinforcement. Paper presented at the annual meeting of the Association for Behavior Analysis, New Orleans, LA.
- Borowiak, D.M., Bishop, K.L., & Weatherly, J.N. (2001). Induction when subjects respond for ethanol reinforcers. Paper presented at the annual meeting of the Association for Behavior Analysis, New Orleans, LA.
- Brandt, A.E., Hulst, M., Dixon, M.R., & Weatherly, J.N. (2002). A laboratory investigation into the environmental factors controlling gambling behavior using a within-subjects design. Paper presented at the annual meeting of the Association for Behavior Analysis, Toronto, Ontario, Canada.
- Brandt, A.E., Moulton, P.L., & Weatherly, J.N. (2001). Everything looks better when you're drinking (if you are a rat anticipating upcoming reinforcement). Paper presented at the annual Red River Valley Psychology Conference, Concordia College, Moorhead, MN.
- Brandt, A.E., & Weatherly, J.N. (2002). Upcoming food-pellet reinforcement alters the acceptable price of sucrose. Paper presented at the annual meeting of the Association for Behavior Analysis, Toronto, Ontario, Canada.
- Cannon, C.B., McSweeney, F.K., & Weatherly, J.N. (1993). The effects of different timeout durations on the within-session patterns of responding of pigeons. Paper presented at the annual meeting of the Northwestern Association for Behavior Analysis, Spokane, WA.
