Research Currently in Progress

"Accounting Advisory Boards: Composition and Use" (On-Going).

One way academic accounting programs can keep pace with the changes in the accounting profession is to establish a direct connection through the use of an advisory board. This study was conducted to gather information on the composition and use of advisory boards by accounting programs.

"The Dodd-Frank Conflict Minerals Provision: An Update on First Year Compliance" (On-Going). We update readers with the results following the first year after implementation of Dodd-Frank Act's Conflict Minerals provision. We summarize the types of disclosures that companies provided.
